

Thanksgiving is such a wonderful time of the year because it reminds us to give thanks and to count our blessings. The bumps in the road become inconsequential when we realize how blessed and lucky we are (1) for the generous donors who continue to support our cause and (2) to have a safe haven/adoption center (Mason's Sanctuary) for the animals.

#GIVINGTUESDAY

This year, on Tuesday, November 29, 2016, ARL is participating in #GivingTuesday, a global day dedicated to giving.

Last year, more than 45,000 organizations in 71 countries came together to celebrate #GivingTuesday. Since its founding in 2012, #GivingTuesday (<https://www.givingtuesday.org/>) has inspired giving around the world, resulting in greater donations, volunteer hours, and activities that bring about real change in communities. We invite you to join the movement and give this November 29th!

Kitty Corner:

I would like to introduce you to Garrett. He is estimated to be 11 years old. In July 2014 Garrett suffered a stroke which caused him to walk in circles, have trouble eating and swallowing his food and lose the vision in one eye.

As you know ARL is a no-kill organization and being a no-kill organization brings long-term expenses because ARL does not euthanize animals because of age, money, animal behavior, illness, injury or special needs. We look at the quality of life for the animal. No animal deserves to suffer and no animal deserves to be put down before it's time. Your continued support has made a difference in the lives of these animals.

With therapy, special care and perseverance Garrett's condition has improved so much that we are now looking for a **long-term foster care home**. He still needs assistance with eating but he now is able to eat some kibbles on his own. He does a great job walking in a straight-line now; only walks in circles when he gets excited.

If you think you may want to give Garrett an opportunity to know what it is like to have a family, please send us an email animalrescue@arcalif.org. Come meet Garrett and see how remarkable he is.
