### ANIMAL RESCUE LEAGUE – UPCOMING EVENTS

- Sept. 23<sup>rd</sup> – Department of Motor Vehicles (DMV)
- Sept. 25<sup>th</sup> – Department of General Services

### Calling all of our California State Employee friends!

Is your work place having a CSECC Kickoff event soon? If so, can you contact your Campaign Coordinator and request that Animal Rescue League be among the charitable organizations invited to attend? Being able to meet more people involved in the campaign could truly benefit our rescue and enable us to continue helping animals. Your support is greatly appreciated and keeps us going.

Animal Rescue League is proud to be a part of the CSECC and is registered as an Independent Charitable Organization.

### Introducing Trista!

**TRISTA:** Do you have a fairly quiet household? Are you interested in finding a sweet, gentle lap cat? Well, look no further – Trista might be the one for you. Trista is a love bug who just wants someone to call her own. She is a mild-mannered cat who would do best in a home without small children and also a home where she is the only kitty. Trista has experienced abandonment and likes to be close to you – do you have time and love to give to Trista?

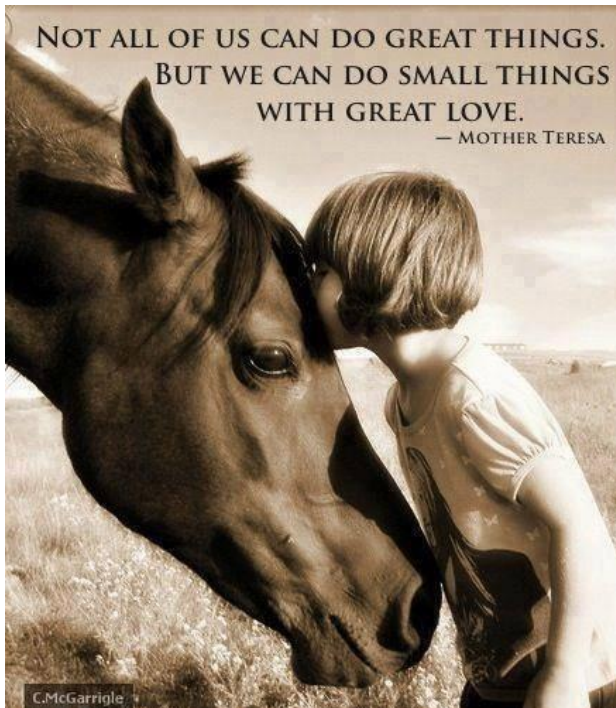

**Donate used vehicles / boats** – Have a vehicle you no longer need or an old boat collecting dust? Please call 1-800-240-0160 and a friendly donation specialist will schedule an appointment for pick-up of the item. Please specify that your donation is for Animal Rescue League, Elk Grove, CA.

## Community Service

All ARL activities qualify for **community service hours** for high school students, but we need adults too; current volunteer opportunities include:

- Do you have some time to spare to give a kitty some love? We really need people interested in brushing kitties, petting them and generally loving on them, especially on week days.
- Foster homes – please call us if interested.
- Baking cookies for fundraisers (ongoing).
- Refurbishing cat trees / building new.
- Yard work / clearing gutters / window washing (outside) – can be one time activity.

## STILL LOOKING!

The property we lease for our sanctuary and adoption center is up for sale. We need to move. *Please help us find a new location.*

What We Need: A place that will serve as both a sanctuary for our animals to live and an adoption center. It should be large enough to house 100 small animals, have multiple rooms with windows, a bathroom, electricity, and central heat and air (something we currently **don't have!**). We are funded by donations so it will also have to be low or no cost.

How to Help: ***If you know of a possible new location, please call us at (916) 714-2894.*** Tell your friends about us and help spread the word!
